

Come together with **Horsewatch**

HORSEWATCH is about you and your neighbours coming together to help reduce opportunities for equine crime.

By co-operating with each other and sharing information we can help to prevent many equine crimes from happening in the first place, thus making your rural community a safer and more crime free area in which to live and work.

Benefits of Horsewatch:

- It shows that members of the equine community are looking out for each other.
- Keeps you up to date with what's going on in your area.
- Working closely with the police helps to prevent and tackle crime.
