

Statement of Reasons

North Somerset Council (Various Roads, Hutton, Weston-super-Mare), North Somerset) 20mph Speed Limit Order 2024

North Somerset Council proposes to change the speed limit on various roads in Hutton from 30mph to 20mph and to alter the extents of the current 30mph, to reduce speeds.

The proposed speed limits seek to reinforce people's assessment of what is a safe speed to travel. They are designed to develop safer environments within the road system, to encourage greater pedestrian movement and more cycling and to reduce the danger to persons or traffic using the road. These changes are supported by the Parish Council, Local Member and North Somerset highways team.
